Sorry for the delay. We have had some banking issues. We are in a transition process so I don't expect these issues next month.

Hey Monica-

We have the cash but have had an issue with our bank. They are moving out of the crypto business and that's made things complicated.

I have gotten it straightened out and am getting this wire out. I am not 100% certain they will have it out today but I am certain it will be in your account Monday if it doesn't get cleared today.

Thanks,
Joe
